**Funding calculations are based on a full 38 week entitlement commencing at the beginning of each academic year on 1st Sept. Funding calculations for new registrations after this date will be provided separately.**

## Funding

We accept 15hr and 30hr extended funding. All parents must check eligibility using the following link <https://beststartinlife.gov.uk/>. Your funding entitlement will be calculated over **51 weeks**.

Government-funded early education places cover the cost of care and learning only. Meals and other consumables are not included within the funded entitlement and are offered as an additional service at a cost of £15 per day, which includes breakfast, lunch, tea, 2 snacks, and personnel required to supervise and prepare meals. Any charges for meals and additional services will be invoiced monthly. The provision of meals is optional, and parents/carers may choose to provide these 5 meals as an alternative which must meet healthy eating guidelines in operation within Mill House. We are committed to ensuring that no child is unable to access their funded place due to financial circumstances. Where families may experience difficulty in meeting the cost of meals, we encourage confidential discussions with the setting to agree suitable arrangements.
